ACKNOWLEDGEMENT

We would like to express our gratitude to God Almighty for giving us the strength to complete this work

This Project was possible only because of the encouragement we received from all quarters. We take this opportunity to thank our Principal **DR VIJL.K.RAMAKRISHNAN** for providing us with adequate facilities for carrying out this seminar.

We wish to express our sincere gratitude to **Mrs. SAUMYA T S**, (Assistant Professor and Head of the Department of Computer Science) for her valuable encouragement.

We express our sincere thanks to our Project Coordinator **Mr. MALIK DINAR**, (Assistant Professor, Department of Computer Science) for his valuable encouragement to carry out this work

Also, we have been fortunate in having **Mrs. S.SOBIA RADHAKRISHNAN** (Assistant Professor, Department of Computer Science), as our guide, whose timely guidance, advices and inspiration helped us in our preparation and presentation of this work in time. We express our sincere gratitude for her invaluable guidance in spite of her very busy schedule. Her views on many matters have inspired us a lot.

We would like to extend our special thanks to our parents and friends.
